SECTION 00 11 13

ADVERTISEMENT TO BID

Notice is hereby given for receiving sealed Proposals by the Passaic Valley Sewerage Commission (PVSC) for:

CONTRACT NO. B463

PVSC Fats, Oil And Grease Processing Facility – Site Preparation Project

Proposals to be enclosed in opaque sealed envelopes, addressed to the Passaic Valley Sewerage Commission, Purchasing Department, Commissioners Meeting Room, Administration Building, 600 Wilson Avenue, Newark, New Jersey 07105, with name and address of Bidder, Contract Number, Contract Name, and Bid Opening Date plainly marked outside. Bids must be sealed and identified as indicated above, enclosed in a mailing envelope with proper postage, and received prior to and up to the date and time set for receiving sealed Bid proposals. Bids will be accepted by mail. (If forwarded by mail, the sealed envelope containing the proposal, marked as directed above must be enclosed in another envelope addressed as specified in the Proposal, preferably by registered mail.) (If forwarded by express carrier or other delivery service, please be advised that access to the PVSC is restricted to the following address: 699 Avenue P, Newark, New Jersey 07105 [GPS location of PVSC Gate #3]). The outside envelope containing Bids must clearly identify the Bid number, contract name and Bid opening date. Failure to follow this procedure is grounds for rejection. Bids must be received during the time set for receiving Bids.

Security Notice: All contractors, subcontractor's employees and/or representatives entering the plant must have and must present to PVSC Security, government issued identification such as a valid picture Driver's License or Passport. This applies to Bid openings, pre-Bid conferences and all on-premises contract work.

Sealed Bid Proposals shall be received by PVSC prior to and up to **10:00 a.m. in the morning, prevailing time, on Thursday, August 20, 2026** for public opening and reading. All Bids shall be opened publicly, announced, read aloud (after the closing time, 10:00 a.m. in the PVSC Purchasing Department), and recorded via the Zoom Conferencing Application. At that time and place, this public Bid opening will be held via conference call and not in the PVSC Administration Building. Interested parties and members of the public will be able to listen to the public Bid opening by selecting the link [<https://pvsc.zoom.us/j/2496333971>], Meeting ID access code: [249 633 3971] or by phone [+1 646 876 9923; Meeting ID access code: 249 633 3971]. Interested parties and members of the public may submit questions and comments via email to the PVSC Clerk at ClerksOffice@pvsc.com. Bids may be withdrawn or modified prior to the time for the opening of Bids or the authorized postponement thereof. Except as permitted by N.J.S.A. 40A:11-23.3, no Bid may be withdrawn for a period of 60 calendar days after the date of the opening of Bids. PVSC reserves the right to reject all Bids and waive any minor immaterial Bid informalities, defects or irregularities, pursuant to Local Public Contract Law, when it has sound documented business reasons. Any award will be made to the lowest responsible Bidder.

No Bid will be received unless in writing on the forms furnished, and unless accompanied by Bid security in the form of a Bid bond, cashier's check, or a certified check made payable to the PVSC in an amount equal to 10% of the amount of the total Bid, but not exceeding \$20,000, executed by a Surety Company duly authorized to do business in the State of New Jersey. The successful Bidder must furnish a 100 percent construction performance bond, a 100 percent construction payment bond, a, and an environmental maintenance bond with a surety company acceptable to the Owner. Complete instructions for preparing Bids and required bonds are included in the Bidding Documents.

- A. It is the responsibility of each Bidder before submitting a Bid to (a) examine the Bidding Documents thoroughly, (b) consider Federal, State and local Laws and Regulations that may affect cost, progress, performance or furnishing of the Work, (c) study and carefully correlate Bidder's observations with the Bidding Documents, (d) notify Engineer of all conflicts, errors or discrepancies in the Bidding Documents.
- B. On request, Owner will provide each Bidder access to the site to conduct such investigation and tests, as each Bidder deems necessary for submission of Bidder's Bid.
- C. The submission of a Bid will constitute an incontrovertible representation by Bidder that Bidder has complied with every requirement of the Bidding Documents, that without exception the Bid is premised upon performing and, furnishing the Work required by the Bidding Documents and such means, methods, techniques, sequences or procedures of construction as may be indicated in or required by the Bidding Documents, and that the Bidding Documents are sufficient in scope and detail to indicate and convey understanding of all terms and conditions for performance and furnishing of the Work.
- D. The specifications provide model numbers, styles or other product references available from various dated and current manufacturer's product literature. When a specification uses "brand name or equivalent," the listed brand name shall serve as a reference or point of comparison for the functional or operational characteristic desired for the good or service being requested except if the goods or services to be provided or performed are proprietary, such goods or services may be purchased by stipulating the proprietary goods or services in the bid specification in any case in which the resolution authorizing the contract so indicates, and the special need for such proprietary goods or services is directly related to the performance, completion or undertaking of the purpose for which the contract is awarded. Where a bidder submits an equivalent, it shall be the responsibility of the bidder to document the equivalence claim. Failure to submit such documentation shall be grounds for rejection of the claim of equivalence.

1.05 Interpretations and Addenda

- A. All questions about the meaning or intent of the Bidding Documents are to be directed to Engineer in writing (Eric Petersson at epetersson@woodardcurran.com). In addition, questions will also be accepted verbally at the pre-bid meeting. Interpretations or clarifications and replies considered necessary by Engineer, and approved by NJDEP, in response to such questions will be issued by Addenda mailed or delivered to all parties recorded by Engineer as having received the Bidding Documents. Questions received ten (10) days or less prior to bid opening, Saturdays, Sundays and Holiday excepted, will not be answered. Only questions answered by formal written Addenda will be binding. Verbal and other interpretations or clarifications will be without legal effect.
- B. Addenda may also be issued to modify the Bidding Documents as deemed advisable by Owner, Program Manager or Engineer, and as approved by NJDEP. Notice of revisions or addenda to advertisement or Bid Documents relating to Bids shall, no later than five (5) days Saturday, Sundays or holidays excepted, prior to the date for acceptance of Bids, be made available by notification in writing by Certified Mail, fax, etc. to any person who has submitted a Bid or who has received the Bidding Documents, pursuant to N.J.S.A. 40A:11-23(c)(2). Issued addenda become part of the Contract Documents.
